Membership and Postmaster Report – November 2023

Membership renewals continue to trickle in, 761 current members at the last count.

There are still standing orders that come through 'out of sync' with the ASPRA membership year (April to March) and those who find an envelope lurking somewhere, perhaps reminded by an ASPRA email. All a bit confusing when tracking who should and should not receive a magazine, but thanks to your road reps we think we are in control.....

Additional project donations, some exceedingly generous, have continued to be added to the envelope contents or the bank transfers and standing orders, providing funds for all of our projects to continue.

Circulating to 'in excess of 700' email addresses is ongoing, as appropriate information becomes available.
